

# Own the Future

California  
Rehabilitation  
INSTITUTE  
A Cedars/UCLA Health Partnership

A partnership of Cedars-Sinai Medical Center, UCLA Health and Select Medical, California Rehabilitation Institute is located in Century City at the intersection of Olympic Blvd. and Century Park East.

Our 138-bed, all-private-room hospital offers the latest technology and medical equipment, and high quality acute inpatient rehabilitation care.

California Rehabilitation Institute provides 24/7 physician and rehabilitation nursing care, and evidence-based physical, occupational and speech therapy to help restore patient strength, mobility and independence in daily living activities.

## Own Your Future

Why work with us? Because we offer more than just a job. On our team, you will:

- **Build** meaningful relationships with patients and their families during each patient's rehabilitation journey.
- **Collaborate** with an amazing group of nurses, therapists, physicians and support staff to help patients regain independence.
- **Be challenged** to learn, problem solve and grow professionally.
- **Be a valued member** of the Select Medical family of brands, a nationwide leader in post-acute care.

**Work inspired.**
