

Own the Future

Select Rehabilitation Hospital of San Antonio is located at 19126 Stone Hue, San Antonio, TX.

Our 42-bed hospital offers the latest technology and medical equipment, and high quality medical inpatient rehabilitation care.

Select Rehabilitation Hospital of San Antonio provides 24/7 physician and rehabilitation nursing care, and evidence-based physical, occupational and speech therapy to help restore patient strength, mobility and independence in daily living activities.

Own Your Future

Why work with us? Because we offer more than just a job. On our team, you will:

- **Build** meaningful relationships with patients and their families during each patient's rehabilitation journey.
- **Collaborate** with an amazing group of nurses, therapists, physicians and support staff to help patients regain independence.
- **Be challenged** to learn, problem solve and grow professionally.
- **Be a valued member** of the Select Medical family of brands, a nationwide leader in post-acute care.

Work inspired.
