Own the Future

RIVERSIDE
Rehabilitation Hospital
In Partnership with Select Medical

A partnership between Riverside Health System and Select Medical, Riverside Rehabilitation Hospital is located at 245 Chesapeake Ave., Newport News, VA.

Our 50-bed hospital offers the latest technology and medical equipment, and high quality acute inpatient rehabilitation care.

Riverside Rehabilitation Hospital provides 24/7 physician and rehabilitation nursing care, and evidence-based physical, occupational and speech therapy to help restore patient strength, mobility and independence in daily living activities.

Own Your Future

Why work with us? Because we offer more than just a job. On our team, you will:

- **Build** meaningful relationships with patients and their families during each patient's rehabilitation journey.
- **Collaborate** with an amazing group of nurses, therapists, physicians and support staff to help patients regain independence.
- **Be challenged** to learn, problem solve and grow professionally.
- **Be a valued member** of the Select Medical family of brands, a nationwide leader in post-acute care.

Work *inspired.*
